

EU Declaration of Conformity

BC-Systemtechnik GmbH & Co. KG, D-44004 Dortmund, in sole responsibility hereby declares that the following products for potentially dangerous atmospheres comply with the following safety norms:

BVS 03 ATEX E 165

Pressure Switch	BC-DS*B-***	⊕ I M2 Ex ia I Mb
Pressure Switch	BC-DS*C-***	⊕ II 2G Ex ia IIC T6 Gb

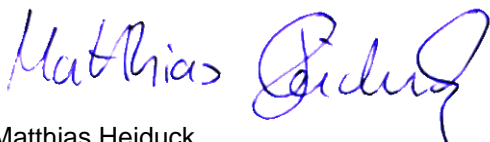

The above type test certificates issued by EXAM BBG Prüf- und Zertifizier GmbH, D-44809 Bochum (accreditation agency no. 0158) covers the pressure switches.
DEKRA Testing and Certification GmbH

The CE labeled products comply with the following norms:

DIN EN IEC 60079:0-2018	Electrical equipment for potentially explosive atmospheres (general requirements)
DIN EN 60079:11-2012	Electrical equipment for potentially explosive atmospheres (intrinsic safety "I")
2014/68/EU	Pressure Vessel Directive Pressure gauges. Requirements and testing (applicable only to pressure switches > 200 bar)
2014/35/EU (LVD) EN 600947-1-:2017 EN 600947-5-1	Low Voltage Directive Low Voltage Switchgear and Controlgear Part 1: General Rules Low Voltage Switchgear and Controlgear Part 5-1: Control Circuit Devices and Switching Elements – Electromechanical Control Circuit devices
2014/34/EU	ATEX Directive

Specifications can change as design revisions take place.

Dortmund, 08.01.2020
